

3rd Annual Career and Training/Apprenticeship Expo

**Taking place Wednesday, April 17th 2024
8:00am - 10:45am**

Taking place:

Alvirne High School, 200 Derry Road, Hudson NH

This In Person Career and Training/Apprenticeship Expo is tailored to the students at Alvirne, to showcase the different openings at businesses in Hudson, and surrounding areas.

This In Person event for high school students will be for those looking to discover their career path, start a job for the very first time, or to grab that perfect summer job! Many businesses also have on the job training, paid training, and Apprenticeship opportunities available.

Doesn't getting paid while you learn sound attractive?! Learn more at the event!

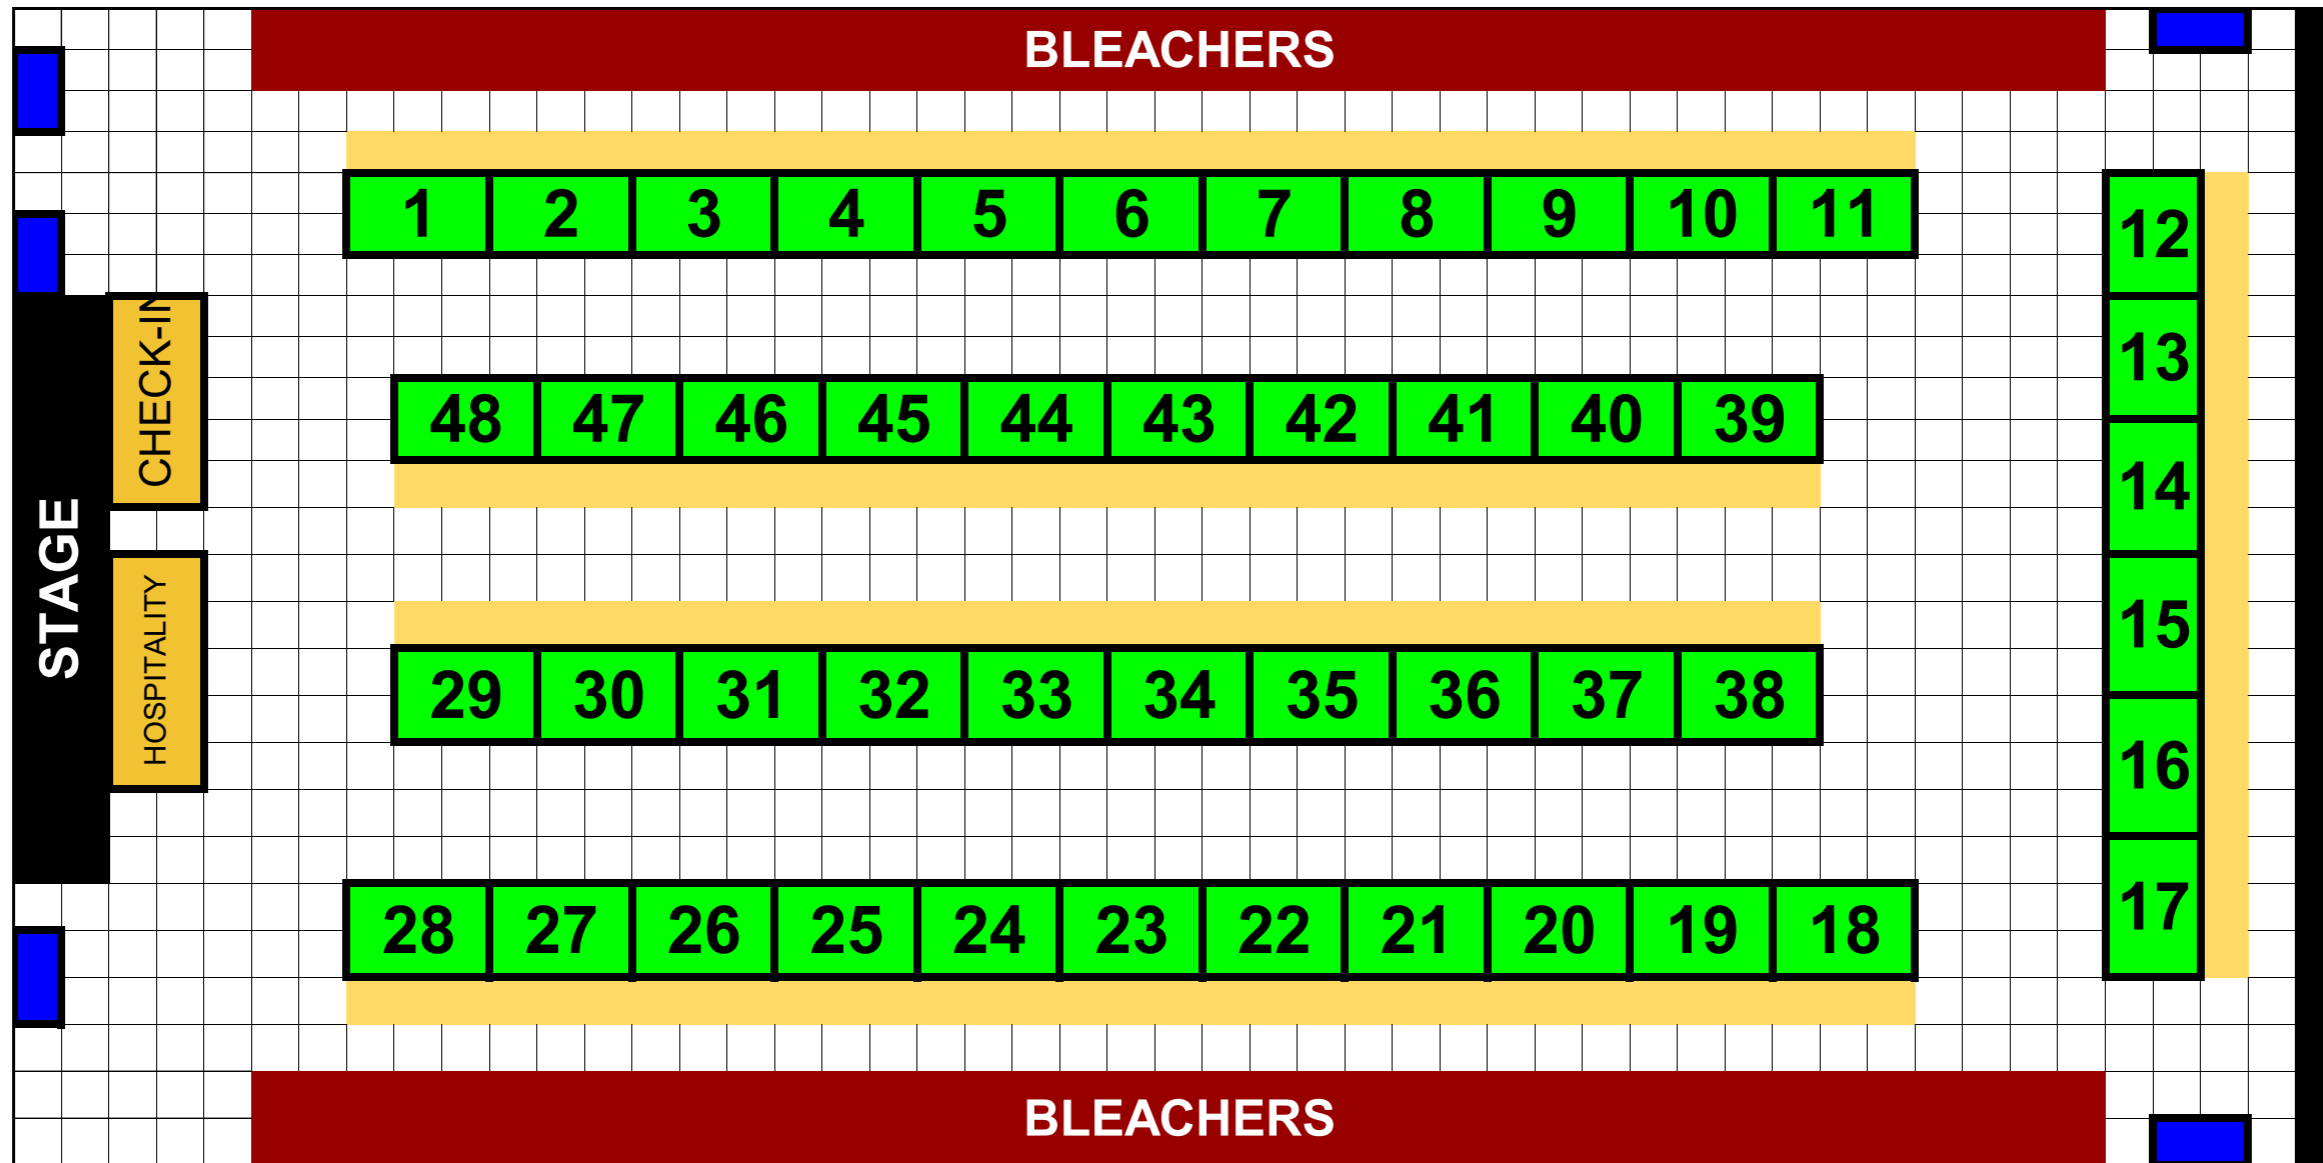

Career Planning & Job Seeking resources will also be in attendance to discuss what resources are out there to assist in starting a career, obtaining certificates, industry training and getting a degree.

Read though the employers and roles, identify the ones you are interested in speaking with at the job fair and mark them. At the job fair, you will find that each employer has their own table. Visit that table to talk to the representative. You will not be directly applying, but instead having a good conversation. The employers and resources are listed with their website and career pages as well as the contact information so you can follow up.

Job Seekers - A few things you can do before the event:

- Have a resume ready to hand out
- Make a list of 3 strengths. (Think about how people see you and what you're known for being good at. What are you the go-to person for?)
- Review the list of companies attending (Below) and make a Top 5 list
- Dress to impress!

Look below for a list of Registered Employers and Resources. Scroll down for detailed information on each.

1	Apprenticeship NH/CCSNH	17	Design Works	33	NH MEP
2	City Year New Hampshire	18	Easterseals NH	34	Onsemi

[cy?utm_source=poster&utm_medium=qr&utm_campaign=recruitment](https://www.cityyear.org/the-experience-come-cy?utm_source=poster&utm_medium=qr&utm_campaign=recruitment)

<https://g.co/kgs/3BSVcpP>

Responsibilities

- As a City Year AmeriCorps member, your service will focus on coaching and mentoring elementary, middle and/or high school students
- You will help these students earn academic success, improve their attendance, learn social-emotional skills and develop positive behaviors at school
- You will plan and monitor individual student progress and work with teachers on whole class instruction, breakout spaces and other in-class student assistance
- Plus, you will work with partner teachers and school staff every step of the way
- Support academic coaching and social emotional development for students
- Work with identified students 1:1 and in small groups
- Develop literacy and/or math skills varying learning activities by student level, answering student questions and encouraging assignment completion
- Create and implement a behavior management system for students

- Develop social-emotional skills throughout their day, using proven strategies of learning, practicing, reflection and repetition
- Collaborate with teachers and team members to collect, record, analyze and monitor individual student progress, participating in facilitated reviews of student data collected and entered into City Year's student data system
- Create an engaging, safe and healthy classroom space in collaboration with the teacher
- Support Whole School initiatives to increase engagement with students and families
- Support and/or conduct extended day and virtual programming for students before, during and after school including, but not limited to, academic enrichment and intervention, homework support, recreation and student clubs, service learning, and leadership development
- Create, support and/or co-lead events or programs that recognize and appreciate student growth and/or achievement in math, literacy, attendance, and behavior
- Engage students, parents/guardians, and/or community members in education or social issues through member led themed events at schools or on virtual platforms

Benefits

- Bi-weekly Stipend: \$890
- We provide 2-4 weeks of training at the beginning of the year to support you

You will receive

- Health, Dental, and Vision Insurance
- Curalinc Employee Assistance Program
- Talkspace Therapy Program
- Benefit Advocate Center
- Bi-weekly living stipend
- Workers' compensation
- Relocation support
- Benefits specific to City Year location
- Career and University partnerships and scholarships
- City Year / AmeriCorps Uniform parts
- AmeriCorps and other federally-issued benefits
- Segal AmeriCorps Education Award
- Child care benefits paid by AmeriCorps
- Department of Education's Public Service Loan Forgiveness Program, (see Reduction of Education Costs)
- Income-based Loan Repayment Plan (IBR)

Hundreds of hours of professional development: three weeks in August at the start, plus every Wednesday for most of the year (all paid). Training covers everything needed for in-school service, discernment on mission/values/goals, background in diversity and equity issues, career support, and building community.

DOL/SNHS Early Childhood Apprenticeship Program

Early Childhood Education/Childcare

The Southern NH Services and Department of Labor Early Childhood Apprenticeship Program is a paid work and training opportunity for individuals who want a career in the field of early childhood. It is designed to combine classroom instruction and work experience that will enhance the quality of care provided for children and families while increasing an individual's skill level and wages. The end goal of the apprenticeship program is for individuals to obtain the credentials required to work as a teacher in a

state licensed childcare center, increasing the workforce with individuals ready to provide high quality early learning experiences.

Jobs for America's Graduates - New Hampshire

Healthcare

We support young adults facing barriers gain access to certification programs in the healthcare industry. This includes but is not limited to: LNA, EMT, Phlebotomy, Eye Tech, Dental Tech, & More.

Haley DeYoung

hdeyoung@jaghn.org

(603) 856-6105

www.jaghn.org

We provide financial assistance for participants to gain certification in the healthcare industry. We pay for anything that is needed to support the student, including scrubs, books, rides, and more. We also provide 1 on 1 Career Counseling and provide a comprehensive curriculum through our national JAG network. We teach youth how to be good citizens, employees, and successful adults.

Lakes Region Community College

Education

LRCC is here to provide you an individualized path to success.

Lakes Region Community College is a fully accredited, not-for-profit, community college located in the city of Laconia in the beautiful Lakes Region of New Hampshire.

We offer a variety of college degree and certificate programs, training programs and even dual-enrollment opportunities for NH high school students looking to get an early start on their college credits.

LRCC is a reflection of all of the communities we serve; high school graduates eager to discover career possibilities; adult learners needing up-skilling or workforce training to grow in their professions or begin a new career. We're also here for who want to explore a class or two to expand their education.

Back in 1967, we were known as "the Tech College" and "the College on the Hill." We are proud of that rich history and today we continue to perform as the region's most technologically and educationally advanced college.

Harbor Care

Non-profit Health Care
Harbor Care is an innovative network of nonprofit health care, housing and human services helping adults, children, and families of New Hampshire find solutions to many of life's most challenging issues. We provide high-quality housing and residential services, primary and behavioral health care, substance use disorder treatment, home care, HIV/AIDS care, veteran services, employment support, and support to individuals and families who are experiencing or at risk of homelessness.

Harbor Care recognizes that there are many overlapping, complex factors that contribute to poverty and homelessness. Unemployment, poor physical health, inadequate access to health care, domestic violence, substance use, mental health disorders, disabilities, legal troubles, low levels of education, and a lack of family and social support all play a role within our communities.

We believe in the power of integrated care. Our patients and clients have streamlined access to the full continuum of health and social services of the Harbor Care member agencies. By working together through shared treatment planning, we are able to better coordinate and deliver a comprehensive array of interventions that empower individuals and families and ultimately build a stronger community.

Mission is to provide vital services, including housing and healthcare, to all in our communities needing assistance.

Vision is one where everyone gets to live safe, stable, and healthy lives filled with purpose, respect, and dignity.
